

IDEASPATCH WEBSITE TERMS OF USE

The following terms and conditions are set out in four sections:

- 1) **PART A: INTRODUCTION**
- 2) **PART B: PROVISIONS SPECIFIC FOR INVENTORS**
- 3) **PART C: PROVISIONS SPECIFIC FOR INVESTORS**
- 4) **PART D: GENERAL**

As you can see, some of the below terms apply to only inventors (Part B) or investors (Part C), and some apply to both (Part A and Part D). This will be clearly signposted to you, but please be careful to read the terms and conditions which apply to you.

PART A: INTRODUCTION

1. Terms of website use

These terms of use agreement (together with the documents referred to in it) sets out the terms on which you may make use of our website, www.ideaspatch.co.uk (our “**website**”).

By using our website, you confirm that you accept these terms of use and that you agree to comply with them. If you do not agree to these terms of use, you must not use our website.

In the case of a company, you hereby warrant that you have authority to bind the company (as the contracting party) to these terms. In the case of an individual, you hereby warrant that you are 18 years of age or older or, where you are not, that you have the consent of your parent or guardian to use the website in accordance with these terms.

2. Other applicable terms

These terms of use refer to the following additional terms, which also apply to your use of our website:

- Our [Privacy Policy](#), which sets out the terms on which we process any personal data we collect from you, or that you provide to us. By using our website, you consent to such processing and you warrant that all data provided by you is accurate.
- Our [Cookie Policy](#), which sets out information about the cookies on our website.

3. Information about us

The website is operated by Ideaspatch Limited (“**We**”, “**us**”, “**our**” and “**IdeasPatch**”). We are a limited company registered in the United Kingdom under company number 9818174 and have our registered office at Carrington May, 31 Walker Avenue, Wolverton Mill, Milton Keynes, England, MK12 5TW.

We, via the website, provide an ‘online meeting place’ through which inventors can raise finance for the patent protection of their ideas and investors can access new funding opportunities based on IP-rich business ideas. By doing so, we facilitate agreement between inventors and investors on terms agreed between them, subject to these terms. Subsequent management of these agreements is carried out through special purpose vehicles (SPV’s) and undertaken

by our nominee company "IP Asset Management Ltd," ("IdeasPatch nominee") which is a separate entity from IdeasPatch Ltd. Other than as expressly set out above or otherwise in these terms, we do not have any involvement in any arrangements investors and inventors make with each other.

To contact us, please email enquiries@ideaspitch.co.uk.

PART B: PROVISIONS SPECIFIC TO INVENTORS

4. Application

To apply to become a crowdfunding applicant, you must:

- (a) create an account on the website as an inventor;
- (b) pay £500 to us to cover the cost of an initial professional patentability search of your Idea.
- (c) provide us via 'create a Campaign' on the platform, with a business plan for your idea ("**Idea**") which particularises an overview of your patent application; the broader commercial project itself, and; a description of the intended commercialisation/monitisation strategy, and;
- (d) provide any further information, documents or data which we may reasonably request for the purpose of analysing your business plan and the patentability search report.

In relation to your business plan and any other information, documents or data which you provide to us, you hereby warrant that they comply with our Privacy Policy.

If we consider your business plan to be feasible and we are satisfied that the results of the patentability search are clear (or at least of an acceptable risk level), that the Idea is potentially patentable and that the commercial strategy behind the patent is viable; we **may** accept your application and the crowdfunding campaign shall be initiated in accordance with clause 5.

We shall endeavour to notify you of our decision to accept or reject your application within [3 weeks] of the date we receive your application. [This notice will be accompanied by an informal report which briefly summarises the reasons for our decision and a copy of the patentability search report.] We may require some more information from yourselves as part of this process, which shall be conducted via email. Our decision to accept or reject an application shall be final and shall be made by us in our sole discretion. Our decision to accept an application (notwithstanding any statement in the abovementioned report) shall not constitute any recommendation or endorsement of your Idea, or any promise, guarantee or representation that your Idea will be successful or that the use and commercialisation of your Idea will not infringe the rights of any third person.

You hereby acknowledge and agree that the £500 search fee shall be refunded to you only in the event the crowdfunding campaign is successful pursuant to clause 5.

5. Crowdfunding campaign

We will advise the successful applicant of an appropriate [funding target], based on the required amount for the patent application and [funding period]. The platform will notify the inventor of any required amendments to the Campaign information sections, prior to launch of the campaign on the platform "Campaign"; as part of our responsibilities for open, transparent and fair information. The Campaign will be accessible only to investors approved by us, the platform ("**Investors**"). From time to time, we may provide general guidance relating to your Campaign. If we do so, please note

that we provide general guidance and information only and we will not be responsible or liable to you in connection with any funding target or other content, which remains solely your responsibility, and that our main responsibility is to ensure all Campaigns are open, transparent and fair.

[You agree not to raise funds via another online crowdfunding or similar platform, or to market or promote your Idea to persons other than the Investors without our prior written consent, during the period in which the Idea is displayed on the website (“**Funding Period**”).]

If, before or by the end of the Funding Period, the funding target has been reached, the crowdfunding campaign Idea will be considered successful, and you and the Investors who invested in your Idea during the Funding Plan will establish and receive equity stakes in a special purpose vehicle (“**SPV**”) pursuant to clause 6. You acknowledge and agree that this SPV will be the sole recipient of any and all funds raised in connection with a successful crowdfunding campaign.

If, by the end of the Funding Period, the funding target has not been reached, any funds pledged by Investors will be rendered void. You may then choose to reapply under clause 4.

Although the Investors are selected by us, we take no responsibility for, and make no representation or warranty about, their character, financial standing and stability or intentions for the use and commercialisation of the Idea, and you hereby accept this risk. You further acknowledge that Investors may fail to fulfil payment of pledged funds and that their payment of this is entirely outside of our control. Consequently, we cannot guarantee and shall have no liability to you for your failure to receive the benefit of any funds pledged by Investors in relation to your Idea.

6. Successful Campaign and SPV

If the crowdfunding campaign for your Idea is successful:

- (a) we will refund you the £500 paid under clause 4 (c); and
- (b) you and the Investors who pledged funds in your Idea will enter into such agreements necessary to establish and operate an SPV and receive appropriate equity stakes in that SPV. IdeasPatch nominee will thenceforth take over management of that SPV for the benefit of all shareholders and in accordance with the legal framework, agreed by all parties;
- (c) pursuant to the Campaign Agreement, as agreed to upon initiation of the Campaign, you will automatically upon completion of (b) above assign all intellectual property rights owned by you in the Idea, which you hereby warrant are all intellectual property rights required for the proposed use and commercialisation of the Idea, to the SPV;
- (d) furthermore, pursuant to the Campaign Agreement (subject to such amendments as may be agreed between you and the SPV), you shall automatically upon completion of (c) above receive and accept a licence from the SPV in return to use the Idea in accordance with the terms and conditions of such Licence Agreement.

You hereby acknowledge and agree:

- (a) that the funds received by that SPV in accordance with the crowdfunding campaign shall be first directed at securing a patent for the Idea if and to the extent we determine that such protection is necessary; and
- (b) to provide us with such information reasonably necessary to enable us to monitor the progress of that SPV in its commercialisation of the Idea.

PART B: PROVISIONS SPECIFIC TO INVESTORS

7. Application

In addition to creating an account to use the website as an investor, Investors must pay a one-off joining fee of £50 to us in order to access Idea Webpages and to participate in crowdfunding campaigns on the website.

8. Investing in an Idea

You may pledge funds in an Idea by visiting an Idea Webpage and selecting an amount you wish to contribute. By pledging funds for an Idea, you are making a promise to both us and the inventor to pay those funds [to the SPV] in the event the crowdfunding campaign for the Idea is successful.

You acknowledge that:

- (a) we do not recommend or endorse any particular Idea, nor do we give (and nothing on the website or any correspondence with you shall be construed as) any promise, guarantee or representation that an Idea will be successful or that the use and commercialisation of an Idea will not infringe the rights of any third person;
- (b) we do not verify any content set out on the Idea Webpage or the identity of the investor and, it is your sole responsibility to check, confirm and satisfy yourself as to the accuracy of any such content and identity and to the risks and value associated with all Ideas. We provide no warranty and accept no responsibility for the accuracy or completeness of any content displayed on the Idea Webpage; and
- (c) pledging funds in relation to an Idea does not entitle you to any rights in or to the Idea, including any ownership, control or intellectual property rights, and that the SPV (pursuant to clause 6 (c)) shall be the legal and beneficial owner of any such rights.

You shall ensure that any funds pledged and paid [to the SPV] will not result in a breach of applicable law, including money laundering regulations.

9. Successful Campaign and SPV

If the crowdfunding campaign for an Idea towards which you pledged funds is successful, you, the inventor and any other Investors who pledged funds to the Idea will enter into the Management Agreement, which is necessary to establish and operate an SPV and receive appropriate equity stakes in that SPV. All funds are held and managed via our third party payment provider [MangoPay] which will be instructed by IdeasPatch nominee.

You hereby acknowledge and agree:

- (a) pursuant to the Licence Agreement (subject to such amendments as may be agreed between the SPV and the inventor), that the relevant inventor shall automatically upon completion of clause 6 (c) be granted a licence to use the Idea in accordance with the terms and conditions of such Licence Agreement;
- (b) that the funds received by that SPV in accordance with the crowdfunding campaign shall be first directed at securing a patent for the Idea if and to the extent we determine that such protection is necessary; and
- (c) to provide us with such information reasonably necessary to enable us to monitor the progress of that SPV in its commercialisation of the Idea.
